## **BELLA -Trolley** for HP-Indigo Serie 3

- ✓ Space for 7 BID's
- ✓ Space for 4 Ink tanks
- ✓ easy handling
- ✓ **Save time and money**

## Flexible service trolley for BID's and Ink tanks

### Compact and universal

The BELLA-Trolley is a simple but very sophisticated solution for HP-Indigo narrow web presses (print width  $\leq 34$  cm). The BELLA-Trolley supports the operator in the previously very cumbersome transport of the parts to be cleaned from the press to the washing area.

With the help of the trolley, the transport can be carried out safely and efficiently. In addition, valuable time can be saved when preparing the BID's and ink tanks for subsequent cleaning.

Technical Data	BELLA -Trolley
External dimension l x w x h	1'150 x 740 x 1'000 mm
Loading table	7 BID's + 4 Ink tanks
Loading floor	3 Ink tanks
Load capacity	aprox. 55 kg
